Watercolor method

**Pattern of colors, dripping alcohol at an angle**

**You can also draw a design over in black sharpie once it is dry.**

This artist drew a design with colorful sharpies, painted on the alcohol with a brush, and outlined with black once it was dry.

# **Welcome to Kids Create Sharple Art!**

- 1) Look at the designs. Think about what you want to create.**
- 2) Learn about some of the different methods shown. Or create your own!**
- 3) Ask Ms. Katelyn for a canvas. We only have enough for everyone to have one.**
- 4) Get to creating! Please show us what you make before you leave.**

**Thank you for coming to Kids Create!**

**Join us next week for May the Fourth Be With You!**
